PROPERTY DESCRIPTION

This 4 year old, ultra clean, fabulous family home in Langford is close to parks. It has 4 bedrooms on the upper floor with 2 bathrooms, one being the master ensuite. On the main floor there is a den & office plus a powder room. The kitchen is modern and has good appliances with an open concept dining, living room design. The backyard is fenced so you can watch the children play with the dog while you barbecue dinner. This is very good value in today's market.
